

SINGAPORE Colorectal Week

16 - 18 AUGUST 2019

Grand Copthorne Waterfront Hotel | Singapore
www.sgclr2019.com

Organised by

THE SOCIETY OF COLORECTAL SURGEONS SINGAPORE

REGISTRATION IS NOW OPEN

The inaugural Singapore Colorectal Week (SCW) congress held in August 2019 organised by The Society of Colorectal Surgeons Singapore (SCRS) brings together local and regional colorectal experts to share on the latest advances in treatment.

Singapore Colorectal Week is the first collaborative meeting bringing together surgeons from all over Singapore.

The comprehensive scientific programme of the SCW includes **precongress on minimally invasive surgery workshop, transanal TME workshops and live surgery symposium.**

Themes covered include **oncological surgery, proctology, inflammatory bowel disease and functional disorders.**
